

## QUALITY POLICY STATEMENT

**FW Dredging Limited** is wholly an indigenous company incorporated in 2003. FW Dredging Limited is the product of good planning with several years of experience in Dredging and marine services. Our desire is to establish a multi-functional company that would contribute to the development of infrastructure in Nigeria.

Over the past years, the company has grown rapidly from being a small outfit with a 14-inch Cutter suction dredger in 2003 to a medium establishment with more than five Dredgers of various sizes. FW Dredging Limited is managed by highly experienced professionals with sector cognate experience to operate in accordance with internationally acceptable standards and practices in order to provide competitive and value added services. Our people are fundamental to the success of our organization and remain at the heart of our achievement.

We are focused on quality, innovative and cutting-edge solutions tailored to meet the present day challenges of the industry. We are committed to ensure and adherence the satisfaction of customers, other relevant interested parties and all applicable requirements (applicable sessions of; NESREA Act, Environmental Laws, Labor, Safety Health & Welfare Bill, Nigeria Data Protection Regulation (NITDA) Act, 2007), Labour Act, Employee's Compensation Act, Factories Act, ISO 9001:2015, ILO Convention, e.t.c.) and the continual improvement of the QMS by constantly reviewing this policy for suitability during management review meetings.

This policy stated above is appropriate to the scope and nature of our operations defined in the Scope of QMS (ISO 9001:2015); the Context of our Organization as detailed in our QMS Manual, Context of the Organization Procedure, Internal & External Issues Logs, and Needs & Expectations of our relevant Interested Parties; and also supports its strategic direction as detailed in the Business Plan.

This policy statement provides a framework for the establishment and reviewing of the quality objectives which shall be developed by each process head and approved by top management.

This quality policy statement is communicated and understood by all personnel and applied within the organization, available to relevant interested parties as appropriate to our organization and maintained as documented information.
